Terms and Conditions Winter Sports

§1 ID requirement

The customer must identify themselves to the organizer with an official identification document. If identification is missing, the organizer can refuse to release the rental property. To register customer data, the organizer accepts credit cards from VISA, MASTERCARD or AMERICAN EXPRESS. A deposit guarantee in the form of an identification document or cash may be required.

§2 Transport regulations

The use of all transport systems and slopes is the responsibility of the customer. Liability claims against the organizer are excluded.

§3 Acceptance/damage to rental items

By accepting the rental item, the customer acknowledges the general terms and conditions and the perfect condition of the rental item. If the rental item is in a condition beyond normal wear and tear when it is returned, the customer must pay for the damage in full. The customer must pay for any damage to the rental property upon return. The mandatory protection fee is already included in the rental price. This means the customer is insured against these risks (breakage and damage). Damage caused by gross negligence is excluded from the insurance. Only those items that are shown as insured on the receipt are considered insured. (RISK) In the event of theft, the deductible is: CHF 650 (Exclusive), CHF 400 (Premium), CHF 300 (Economy) or CHF 150.- (budget).

§4 Theft

If a rented item is stolen or lost, the customer is liable. The price depends on the current value of the lost item. The customer must pay this amount to the organizer before departure. Deductible is: CHF 650 (Exclusive), CHF 400 (Premium), CHF 300 (Economy) or CHF 150.- (budget).

§5 Police report

If an insured rental property is stolen from the customer, he must immediately report this to the Engelberg police station and hand the police report to the organizer.

§6 Return of rental items

At the end of the rental, the rented material must be returned in full by the customer, otherwise the customer must pay for the missing items. Only the rental material that was rented according to the invoice receipt (see barcode number) will be booked back. Items from other stores or other customers will not be taken into account. The customer is responsible for all items rented under his or her name.

§7 Rental costs

The rental price must be paid in advance. We accept the following payment methods: Swiss francs, euros, US dollars, VISA, MASTERCARD, AMERICAN EXPRESS.

§8 Reimbursement of rental costs

A partial refund of the rent will only be made if all railway facilities are out of operation. As proof of this, the customer must show the railway's refund receipt. In addition, there is a partial refund as a result of an injury, which can be documented by a medical certificate. If the customer voluntarily misses one or more days during the rental period, this does not entitle him to claim back or not pay the rent or part of the rent.

§9 Binding setting

The binding is adjusted without an adjustment device. However, the bindings are continually checked for functionality before and during the season in accordance with the recommendations of the Federal Office for Accident Prevention (BFU).

§10 Disclaimer of liability

The organizer declines all liability in the event of accidents resulting in injuries that may occur when performing an activity with rental equipment from the organizer or injuries that result from non-observance of the FIS rules. The customer must independently have sufficient health accident insurance (incl. sports accidents).

§11 Liability for deposited items

The organizer declines all liability for the customer's items that are deposited on the organizer's premises.

§12 Change of offer

The organizer reserves the right to change offers and rental conditions without prior notice.

§13 Place of jurisdiction

The exclusive place of jurisdiction for all disputes arising from this contract is Engelberg.
